# Student Voice Reflective-Action Planning

**How can STUDENT VOICE support/enhance current practices?**

**What specific strategies do you plan to implement?**

**Immediate:**

**Long-term:**

**How will you involve your educational community?**

**School Board:**

**Parents:**

**Community:**

**Identify potential *obstacles* to implementing your strategies.**

**Identify potential *sources of support* for implementing your strategies.**

**How will you measure progress?**

**How will you know when STUDENT VOICE has become a way of being?**
