1. Students and staff feel comfortable voicing their honest opinions and concerns to me.

How do you build positive relationships with students and staff at your school?

2. Students, staff and the community know I respect their ideas and insights.

How do you show them you respect their voices?

3. I seek out diverse ideas and suggestions from students and staff.

What have you learned from students and staff that has made you a better assistant principal?

4. I regularly learn from underrepresented voices.

What specific actions do you take to learn from underrepresented voices?

5. I actively seek out opinions and ideas from the community.

What new idea have you recently learned from a community member?

6. I regularly learn from student and teacher feedback.

How do you specifically gather and utilize student and teacher feedback?

7. I collaborate with students and staff to improve schoolwide initiatives.

What is your most effective practice for collaborating with students and staff?

8. I take responsibility to act on my ideas in partnership with others.

What ideas have you recently taken action on? How have you included others?

9. I reflect on how I use my voice to make a difference for students, staff and the community.

What have you learned from your reflections?
