

Effective collaboration can bring amazing energy to a school and enhance improvement efforts. Inefficient collaboration can feel counterproductive and drain energy from a school. This resource is designed to guide reflection about both positive and challenging aspects of collaboration specific to the Voice & Aspirations work at your school.

Triumphs & Tribulations

Identify three collaboration triumphs you have experienced as part of the Aspirations Team at your school.

1. _____
2. _____
3. _____

Identify three collaboration tribulations you have experienced as part of the Aspirations Team at your school.

1. _____
2. _____
3. _____

Identify three ways your Aspirations Team could be more effective in your collaboration.

1. _____
2. _____
3. _____

Collaboration Triumphs & Tribulations

Discuss your reflections on triumphs and tribulations with a partner from a different School of Action.

What is one new insight you gained as a result of your conversation about collaboration?

Given your own communication strengths, what role can you play to support effective collaboration?

What do you need to work on to be a more effective collaborator?

What are your hopes and dreams for collaboration with your Aspirations Team this school year?
