

STUDENT VOICE AT KULA SCHOOL

Kula School empowers students through Student Voice, allowing them to initiate and shape their desired school experiences.

**Your
voice
matters!**

Students asked for a way to stay informed on school events. We were able to provide them with a covered bulletin board outside of the cafeteria where all students can see it.

Clubs & Programs

Students are able to sign up to participate in clubs/programs during recess. Current clubs this year are: Chess, Checkers, & Connect-4 (or C3) Club, Morning Broadcast Club, and Student Council.

Kaleo's Mailbox

Mail keeps arriving into Kaleo's Mailbox. Students share suggestions or voice concerns using Kaleo's Mailbox.

Assemblies

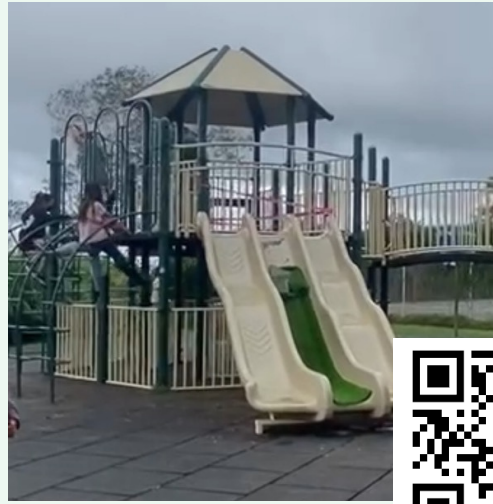

Students had many suggestions to make assemblies more engaging. It is now student-lead. They have taken over running the assemblies by writing the scripts, choosing the games, and emceeding.

FUTURE ASPIRATIONS

WHAT'S IN KALEO'S MAILBOX

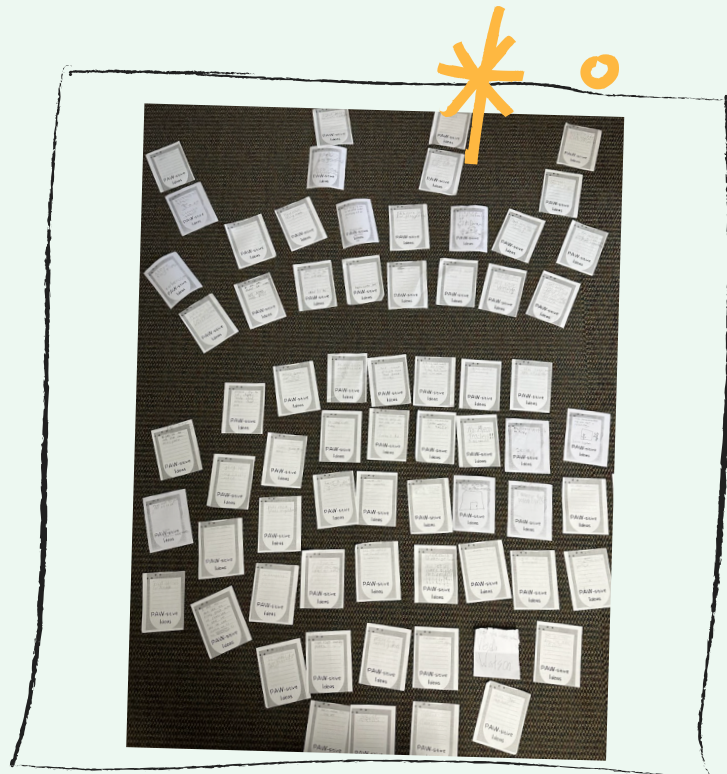

Students are using their voice and here's what they're asking for:

- More books in the library
- More clubs
- Flexible seating in the cafeteria
- Teacher paw cards so teacher's can earn treats

Playground Initiative

Our students have been asking for a new playground. Last year they created a video to share as a social media campaign and we are now #1 on the list for a new play ground.
