

*This is all about YOU and what YOU are going to do differently moving forward.*

Establish a meaningful goal for yourself that will allow you to amplify YOUR voice in education.

Why is this goal important to you?

How will this goal affect your students?

How does your personal goal support the overall goals of your school?

What evidence will let you know that you are achieving your goal?

How will you share your goal, your accomplishments, and the information you have learned about teacher voice with your colleagues and students?
