

PASSIONS PULSE: SCHOOL PASSIONS AUDIT

Consider which Passions are evident within your school community. Check the appropriate box and provide evidence to demonstrate the presence or absence of each statement.

Responses: 1 = Strongly Disagree 2 = Disagree 3 = Neutral 4 = Agree 5 = Strongly Agree

Schoolwide Passions	Score	Evidence
1. Staff bring enthusiasm to our school.		
2. Educators have opportunities to pursue their professional passions in our school and district/complex.		
3. Staff know each other's professional passions and interests.		
4. Teachers know students' passions.		
5. The school values and encourages the pursuit of passions in learning for students.		
6. Students are interested and engaged in learning.		
7. Staff are energized when working with students.		
8. Staff and students are encouraged to join or create clubs that align with their passions.		
9. Discussions in the staff room reflect an enjoyment of teaching and learning.		

Reflect on Passions at your school.

How can your school further enhance a learning environment where staff and student passions impact teaching and learning?
