

Customized Online School Consultancy

Professional Development for Educators

The Quaglia Institute recognizes that school teams may prefer customized support on an ongoing basis. A senior member of the Quaglia Institute will collaborate with a school's leadership team to co-design sessions that create an individualized Student Voice journey for each participating school. The goal is to create flexible professional learning opportunities to implement student voice within the school.

Quaglia Institute Responsibilities

- Co-create partnership goals of webinars with school;
- Conduct four online sessions, each two hours in length, scheduled in consultation with the school and delivered throughout one academic year;
- Collaborate with school leadership to identify specific topics to address;
- Provide customized consulting sessions based on school needs;
- Dedicate a senior member of the Quaglia Institute staff to lead each session;
- Prepare supportive resources relevant to the school's voice journey;
- Share customized PowerPoint slide deck for school to use; and
- Connect schools around the world in order to learn from each other and strengthen voice and aspirations work.

Price

\$4,400 USD for all four sessions. Price includes all required resources.
