

The Voice Process Action Plan

Check-in

All staff and students know the definition of Student Voice. If that is not the case, what is your plan to ensure this learning occurs?

Reflections

Which part of the School Voice Process do you think is the strongest at your school? Which is the most challenging? Why?

Achievements

How is the School Voice Process realised in classrooms?

Discussions

How can you facilitate or replicate parts of our session learning with your colleagues?

Student Learning

Discuss with students their role in the Student Voice Process. (Use the Student Voice Process handout.)

School Connections

How does the student voice process specifically connect to your SIF rubric and MACS eXcel? How does it connect to your school's goals and vision?
