

My full name is _____

Write the story of your name including any details you know about why you were given your name, family or historical significance, things you love or dislike about your name, nicknames or name changes over time, etc. Do your best to tell the full story of your name and how it connects to who you are as a person.

This activity has been adapted from the What's in a Name activity from the School Reform Initiative Resource & Protocol Book Version 3.0 (January 2014), pages 163-164.
