

## HEROES SELF-ASSESSMENT

1. I listen to students' ideas and suggestions.

*What is a recent student idea/suggestion that you and/or your students acted upon?*

2. I advocate for students in our school.

*What does it look like when adults are student voice advocates? Share an example.*

3. I am a positive role model for my students.

*How do you help students become role models for each other?*

4. I support my students' social-emotional health.

*How could your school better support students who appear to be struggling with their mental health?*

5. Our school has a mentoring program for students who need additional support in their lives.

*How does your school tap into the community to help support students?*

6. Our school supports teachers' mental health.

*What practices are in place to support teachers when they struggle with the demands of being an educator?*

---

7. Staff want all students to succeed.

*What school-wide practices could be improved to better help all students succeed?*

---

8. I respect students and their ideas.

*What actions do you take to show students you respect them and value their ideas, even when they differ from your beliefs?*

---

9. Staff talk positively about our students and community.

*What role do you play in ensuring that the adults at school are heroes to students and embrace a positive approach to education?*
